Celebrating Green Streets

MOVE SAN DIEGO

CELEBRATING GREEN STREETS

HONORING FRED MAAS

Move San Diego invites you to join us at our 1st Annual Green Streets Celebration, to be held November 16, 2010 in the Woodstock venue at the Hard Rock Hotel, 207 5th Ave., San Diego from 5:30-7:30 PM.

Your participation will help us continue to advocate for effective, convenient, and sustainable transportation options in the San Diego region. This event will be celebrating and showcasing the difference that green and sustainable living makes in the lives of all San Diegans.

This year, our celebration recognizes a San Diegan who exemplifies what *Move San Diego* is all about. Our inaugural honoree is **Fred Maas**. His contributions to solving the region's transportation issue are vast. Recently, he championed the kick off of CCDC's Centre City Green program with the "Green Streets" program initiative, which encourages healthy transportation options such as walking, bicycle riding, and mass transit. Please join us and help honor Fred Maas for his many achievements and contributions to the region.
